# Solar Powered LED Ceiling Light

## Solar Powered LED Ceiling Light

The Solar Powered LED skylight is a green new idea, combining modern solar technology with advanced LED technology, this is a new lighting solution.

A breakthrough to the traditional daylighting way (skylight/sky tube), for much more convenience, long lasting & energy efficiency.

### What & Why SINOLTECH Solar LED Lighting

Solar LED lighting has already proved itself a great success in many countries in achieving a free-cost-daylighting purpose. However, those LED panels still conventionally need a Drive to light themselves up (this will lead to certain energy waste from the solar panel power going into the LED panel), and they stop working immediately should the sunlight is cut from availability.

To realize 100% solar panel powered, and to support the LED panel still light-on even at night time periods, SINOLTECH unique Solar LED Lighting Systems have been developed, and they are meant to fulfill your needs with more than you would expect!

### Solar LED Ceiling Lighting System / Day Only

Model No.	Solar PV Power	LED Panel Shape	LED Luminous Flux	Wire	Working Time	Radar Sensor	Package
SNC2015003	15W/18V *1 PCS 365*365*25mm	Round 16V Dia.300*12mm	900LM	6m	Sunny day 12 hours	No	380*380*85mm/ 4.75KG
SN2016012	15W/18V *1 PCS 365*365*25mm	Square 16V 300*300*12mm	900LM	6m	Sunny day 12 hours	No	380*380*85mm/ 4.95KG

### Solar LED Ceiling Lighting System / Day & Night with Battery Backup

Model No.	Solar PV Power	LED Panel Shape	LED Luminous Flux	Wire	Working Time	Radar Sensor	Battery	Package
SN2016001	15W/22V *1 PCS365*365*25mm	Round 16VDia.300*12mm	900LM	6m	Day+night5.3 hrs	YesAll the time	3.2Ah	385 *385*1 25mm/5.75KG
SN2016032	15W/22V *1 PCS365*365*25mm	Square 16V300*300*12mm	900LM	6m	Day+night5.3 hrs	YesAll the time	3.2Ah	385 *385*1 25mm/5.95KG
SN2016004	1 5W /18V+ 15W/21V 415*495*25mm	Round 16VDia.300*12mm	900LM	6m	Day+night17.3 hrs	YesSunless	3.2Ah	435 *525*1 15mm/7.55KG
SN2016033	1 5W /18V+ 15W/21V 415*495*25mm	Square 16V300*300*12mm	900LM	6m	Day+night17.3 hrs	YesSunless	3.2Ah	435 *525*1 15mm/7.75KG

### Solar LED Ceiling Lighting System / Day & Night with AC

Model No.	Solar PV Power	LED Panel Shape	LED Luminous Flux	Wire	Working Time	Radar Sensor	AC	Package
SINOLTECH S NC 20150 03+SN2016030	15W/18V *1 PCS365*365*25mm	Round 16VDia.300*12mm	900LM	6m	Day+night24 hrs	Yes Sunless	Grid18V*1A	385 *385*1 25mm/5.20KG
S NC 20160 02+SN2016030	15W/18V *1 PCS365*365*25mm	Square 16V300*300*12mm	900LM	6m	Day+night24 hrs	Yes Sunless	Grid18V*1A	385 *385*1 25mm/5.40KG
