
Wall Mount Solar Ventilator

WALL Mount Solar Ventilator

Application Area:

SERVES WELL EVERYWHERE AND SUITS ALL KINDS OF BUILDING INSTALLATION

Strengthen air circulation

Remove heat, moisture & dust

Deduct harmful mildews

Solar powered, environmental friendly

Once Pay, Benefit Long

Enjoy the gracious solar energy to let your space breath freely at any time!

Customization Services:

In order to extend product functions, we offer tailor-make services, you can:

Request LARGER POWER SOLAR PANEL for stronger venting flow

-Order YOUR OWN COLOR for the product's powder coating finished

-Add BATTERY to have the fan go on working still under solar DC energy after sunset

-Use AC/DC POWER ADAPTER to have the fan continue working under grid AC backups in any sunless period

-Attach THERMOSTAT to have the fan work/stop at preset temperature

-Add POWER CORD SWITCH to have the fan start/stop flexibly as per desire

-Ask for MOUNTING BRACKET for the solar panel

-Request OEM / ODM MOUNTING FRAME for the fan host

Wall-mount Solar Powered Attic Fan- Standard Series

Model No.	Solar PV Power/Dimension	Fan Size/Air duct Dia.	Working Condition	AC
SN2015010	15W/365*365*25mm	12INCH/317mm	Daytime under sun	Optional
SN2013013	15W/365*365*25mm	14INCH/368mm	Daytime under sun	Optional
SN2015011	20W/365*410*25mm	14INCH/368mm	Daytime under sun	Optional
SN2015004	30W/415*495*25mm	14INCH/368mm	Daytime under sun	Optional

Wall-mount Solar Powered Attic Fan- With Built-in Battery

Model No.	Solar PV Power/Dimension	Fan Size/Air duct Dia.	Battery	Working Condition
SN2013014	40W/495*550*25mm 15W for Motor;25W for Battery	12INCH/317mm	9.6AH	Day & Night 24 hrs
SN2015013	60W/495*782*30mm 25W for Motor;35W for Battery	14INCH/368mm	9.6AH	Day & Night 24 hrs

Wall-mount Solar Powered Attic Fan- With AC Adaptor

Model No.	Solar PV Power/Dimension	Fan Size/Air duct Dia.	AC Adaptor	Working Condition
SN2015010 +SN2013016	15W/365*365*25mm	12INCH/368mm	Model: SN2013016	Day & Night 24 hrs
SN2013013 +SN2013016	15W/365*365*25mm	14INCH/368mm	AC input: 100-240V, DC output: 18V 1A,	Day & Night 24 hrs
SN2015011 +SN2013016	20W/365*410*25mm	14INCH/368mm	Including 3m cable to	Day & Night 24 hrs
SN2015004 +SN2013016	30W/415*495*25mm	14INCH/368mm	connect fan with this power adapter	Day & Night 24 hrs
